Dear Friends, Relatives, and Neighbors:

Come join us for the 136<sup>th</sup> Memorial Day celebration to be held at the church. It's always a pleasure to see and visit with everyone on that day when our men and women who served in the military and our loved ones who have passed are honored.

The faithful Honor Guard from the Feeney Bennett Post 128 of the American Legion of Middleport will be at the cemetery at 1:00 pm to provide the salute to the veterans buried in the cemetery. For many years the Post has been dedicated to honoring those who served. After the Honor Guard, we will gather in front of the church to take a group picture then proceed inside for the program.

Pictures and memorabilia from past Memorial Day celebrations will be on display. Music will be enjoyed by the Hayes family and refreshments will be served.

We have lots for sale in the Cuckler I and Cuckler II Additions plus information about the cemetery in general. If interested, please contact one of the trustees. A financial report will also be available.

Your donations are used for the upkeep of the cemetery and church. We have very reliable grounds maintenance people who keep the cemetery looking beautiful.

Your donation is greatly appreciated.
